### *Father God:*

We keep forgetting all those who lived before us.

We keep forgetting those who lived and worked in our communities.

We keep forgetting those who prayed and sang hymns in our churches before we were born.

We keep forgetting what our fathers have done before us.

We commit the sin, Lord, of assuming that everything begins with us.

We drink from wells we did not find.

We eat food from farmland we did not develop.

We enjoy freedoms we did not earn.

We worship in churches we did not build.

We live in communities we did not establish.

This day, make us grateful for our heritage.

Amen
